## Hello, December!

When you think about all you've done this year, what's missing? Write down what you still want to make happen this month. You can do it!

## Got your holiday card ready?

Let the folks who keep your business humming know you're thinking of them - and your friends and family, too, of course! (Tell us: Are handwritten cards worth the effort?)

## Time for a sale?

Everyone loves a seasonal discount. QuickBooks Online lets you give discounts to your VIP customers - a great way for you to show your appreciation!

## Whew!

Weekends can be as hectic as the work week. Be sure to get some fresh air and move your body, too. Challenge: Use your office like a gym!
